

Capabilities Statement

SDVOSB | GSA CONTRACT HOLDER | FEDERAL INDUSTRIAL & VA HEALTHCARE SUPPLY PARTNER

COMPANY OVERVIEW

United Commercial Supply (UCS) is a verified Service-Disabled Veteran-Owned Small Business (SDVOSB) providing compliant industrial, facility, and mission-critical supply solutions to federal agencies, prime contractors, and institutional buyers.

With nearly two decades of federal sourcing experience and access to more than one million SKUs, UCS supports streamlined procurement of MRO supplies, safety equipment, specialty components, and facility infrastructure products. Through MAS contracts, BPAs, and FedMall purchasing channels, UCS delivers responsive sourcing, procurement compliance, and just-in-time fulfillment aligned with government operational requirements.

20+ Years of Experience in Federal Sourcing, MRO Supply, and Compliant Procurement Solutions.

CORE PROCUREMENT CAPABILITIES

VA HEALTHCARE & MEDICAL FACILITY SUPPORT

UCS supports Veterans Affairs facilities and healthcare environments through compliant sourcing of facility infrastructure and operational supplies that help maintain safe, functional care environments.

VA-Aligned Solutions Include:

- Plumbing and water system components supporting facility safety initiatives
- HVAC and mechanical supplies supporting indoor air quality and facility operations
- Safety and PPE products aligned with healthcare compliance requirements
- Rapid sourcing of replacement parts to reduce downtime in critical environments

UCS understands the procurement workflows, compliance expectations, and operational timelines associated with federal healthcare systems and supports buyers through responsive sourcing and contract-ready acquisition channels.

CONTRACTOR VALUE & DIFFERENTIATORS

- Verified SDVOSB partner supporting subcontracting goals
- Proven federal performance history across DoD, VA, and civilian agencies
- Access to an extensive national supplier network with 1M+ SKUs
